

# “Chapel Hill had everything we were looking for.”

- Bob and Emma Smith, Residents

Bob and Emma Smith didn't want a quiet retirement. Both former school teachers, Bob coached youth basketball, and they both love to travel. With their move to Chapel Hill Retirement Community, they found a home where they can have fun and stay active. “It was love at first sight,” Bob says.

Their spacious lake-view cottage is surrounded by welcoming neighbors and beautiful grounds. “The people here are so friendly!” Emma says. They also love the peace of mind that comes with full-service health care.

Bob and Emma say Chapel Hill is the best move they could have made. You will, too.
